

# Shahriar Islam System Administrator

✉ shahriarislam156@gmail.com    📞 +8801537415677    📍 Dakshin Khan, Dhaka 1230

## PROFILE

Highly motivated System Administrator with 7+ years of hands-on experience managing Linux-based hosting environments. While currently completing a degree in Civil Engineering, I have a proven track record in IT infrastructure, having founded a global licensing platform and managed high-availability server clusters. Quick to adapt to new technologies with a deep focus on security, server optimization, and automated systems.

WHMCS, Automated Billing Integration, ETC

● ● ● ● ●

## PROFESSIONAL EXPERIENCE

### Founder & Lead System Architect,

*System License (SYSLIC)*

2023 – Present | Dhaka, Bangladesh

Architected and deployed Syslic, a robust shared license system tailored for the web hosting industry. Engineered the platform to deliver high-performance, cost-effective licensing for cPanel/ WHM, LiteSpeed, CloudLinux, JetBackup and other enterprise software. Responsible for the entire backend infrastructure, including API development, secure license routing, and automated billing integration. Managed complex server environments to ensure seamless software updates, high availability, and proactive security monitoring for a global user base.

### Server Administrator, PAIHOST LTD

2018 – Present | Dhaka, Bangladesh

Experienced Server Administrator with hands-on expertise in managing, securing, and optimizing Linux-based hosting servers. Since 2018, actively working with cPanel/WHM environments to ensure high availability, performance, and security of web hosting services. Strong experience in server configuration, troubleshooting, and client support with a focus on reliability and uptime.
